X = false.

O = true.

## Clues

1. The 13-year-old teenager already eats lots of carrots, beans, broccoli, etc., and he/she refuses any form of physical activity.
2. Tina intends to register at her local library.
3. Eve is older than Ian, but younger than Scott.
4. The 12-year-old teenager is not British.
5. The English teenager hopes to spend more time in bed.
6. Tina is not American.
7. The Welsh teenager is going to join a gym club.
8. The 15-year-old teenager is not planning to exercise more or sleep more.

Name	Age	Nationality	Resolution
